Maggy

Can you do the magic that you do so well.

Subject: Incident mailboxes

Tom/Maggy,

Not sure who is over Outlook these days. My question is what level of capability do we have, in Outlook, to create Incident Mailboxes the way we did in years past using Notes. I've gotten conflicting information in the past, so I thought it best to ask you. Appreciate your pointing me in the right direction.

Thanks,

Derek
